LINGHAM'S LILY GARDENS

LILIES

We list the following hardy varieties. All suitable for the average garden. Some require partial shade, while others thrive in full sunny position. All must have perfect drainage. Some dwarf sorts give showy effects, planted in the rockery.

Amabile—A fine species from Korea. Flowers large, reflexed. Color grenadine red. Each, 35c.

Auratum—The gold-banded lily of Japan. Sweet scented. 35c each.

Canadense—One of our best native lilies. 35c each.

Candidum—The Madonna lily. Bulbs of this sort should be planted in August. Cover 2 inches. Blooming size bulbs, 25c; large size, 35c.

Cernuum—Beautiful pink lily from China. 25c each.

Columbianum—Orange-yellow, dark spots. Blooms in July. 3 to 4 ft., 25c. Doz., \$2.50.

Croceum—The orange lily. Plant 5 inches deep. Stately, fine garden sort. 25c each.

Davuricum—Rich large orange scarlet. Flowers blooming in June. 25c. Doz., \$2.50.

Elegans—Mixed colors, dwarf. 25c. \$2.50 doz.

LINGHAM'S LILY GARDENS
